Journal 2025

"Your labor is not in vain"
"Tu labor no ha sido en vano..."

The Diocese of Quincy
Year 2024-2025

Psalm 127

1. *Unless the Lord builds the house, ♦
those who build it labor in vain.*
2. *Unless the Lord keeps the city, ♦
the guard keeps watch in vain.*
3. *It is in vain that you hasten to rise up early
and go so late to rest, eating the bread of toil, ♦
for he gives his beloved sleep.*
4. *Children are heritage from the Lord ♦
and the fruit of the womb is his gift.*
5. *Like arrows in the hand of the warrior, ♦
so are the children of one's youth.*
6. *Happy are those who have
their quiver full of them; ♦ they shall not be
put to shame when they dispute with
their enemies in the gate.*

Salmo 127

1. *Si el Señor no construye la casa ♦
en vano se cansan los albañiles.*
2. *Si el Señor no guarda la ciudad, ♦
en vano vigila el centinela.*
3. *Es en vano levantarse al despuntar el alba y
recostarse tarde; y comer el pan
del esfuerzo; ♦ pues Dios lo da
a sus amigos mientras duermen.*
4. *Los hijos son herencia del Señor ♦
y el fruto del vientre es una bendición.*
5. *Como saetas en manos de un guerrero;
así son los hijos de la juventud.*
6. *Felices aquellos que llenan
su alforja con ellos; ♦ no serán avergonzados
cuando contiendan con su adversario
en la plaza.*

The Bishop Alberto Morales Fund was established in January 2024 by the Diocesan Council. This fund represents the proceeds of the funds held by the Trustees for the benefit of Trinity Anglican Mission. The Mission was closed in 2023.

The Trustees own the church property at 4911 N. Knoxville, Peoria, Illinois. The property was purchased for the administrative offices of the Diocese and to house St. Michael and All Angels Church. The purchase price was \$550,000. The purchase was funded by a \$360,000 loan from Morton Community Bank with the balance coming from the Endowment Fund. The loan is secured by a mortgage on the property purchased. In December 2020, the Trustees extended the maturity of the loan to December 2030 with an interest rate of 3.7% for the next 5 years. The loan is repayable in monthly installments over 15 years. Operating expenses for the building are paid by St. Michael. The Diocese of Quincy pays a monthly reimbursement to St. Michael for approximately 30% of the operating costs. St. Michael pays the full amount of the monthly mortgage payments with no reimbursement from the Diocese. The balance on the mortgage loan was \$220,446 at June 30, 2025.

The Trustees held no closed churches under its care and management in Fiscal June 30, 2025.

The Trustees had no loans to affiliate entities in the Diocese of Quincy during Fiscal June 30, 2025.

The most recent audited financial statements available for the Trustees are for Fiscal June 30, 2024. The audit was completed by the CPA firm Phillips, Salmi and Associates. The FYE 6/30/2024 audit is available upon request. The Fiscal June 30, 2025 audit is in process.

Report from the Diocesan Coordinator for Healing
2024

By His wounds we are healed. (Isaiah 53, 5)

The Diocesan team for healing is made up of Canon Jim Fosdick, and this your servant. We are in need of another person to replace one of our members. We also have Fr. Gregory Lynn, Fr. Jason Bowden, Fr. Andrew Johnson serving on the deliverance team.

There were many churches throughout the Diocese that held healing services in their parishes/missions this past year. We would like to encourage all churches to have healing services.

We would still love to have healing services at the Deanery levels.

This year we have a healing service planned for this 147th Synod. We hope to hear from you. Please share with us your experience or testimony.

Please, let us continue to pray for spiritual, emotional and physical healing throughout the Diocese and throughout the world. God is very much alive in the Diocese of Quincy. Let us praise Him and thank Him for His goodness towards us.

Blessings,
Abbot Luis, OSB (Coordinator)

DIOCESAN DEANERIES

The *new Saint Andrews* Deanery-

In the restructuring of the deaneries, we were formed as a group of clergy and churches outside of the Peoria area: We are churches and clergy from Illinois, Missouri, Indiana, Colorado, Wisconsin & Tennessee. While we are still finding our trajectory, we're working to build a group of Gospel- & Quincy-focused clergy, dedicated to our Bishop's call to be ROOTED, MISSIONAL, and COMPASSIONATE. To that end, our goal is to keep communication open and flowing to and from the diocese; assuring our congregations are well informed of all of the great things God is doing to and through the diocese of Quincy.

But, not only an 'information disseminating group' we are building fellowship and mutual edification; supporting each other to be in the very center of God's will for our individual ministries and calls, in our diocese:

We are excited about all God is going to do in the next year!
May God continue to bless our Bishop, our diocese, and you, our sisters and brothers.

Very Rev. Canon Dan Kinkad
St. Andrew's Anglican, Nashville, TN

SAINT MICHAEL'S DEANERY

The newly constituted (or re-constituted) St. Michael's Deanery includes all the English-speaking congregations in Illinois, except for St. Patrick's in Mt. Vernon.

ST. JOHN'S CATHEDRAL, QUINCY

St. John's celebrated the completion of several important building projects last year. We replaced the entire steel framing in our historic bell tower and added an electrically controlled, programable striker system to our 11-bell chime. The bells toll automatically at 8:00 am, noon, and 3:00 p.m. She also "calls us to worship" at 10:30 every Sunday morning. Additionally, we have entirely remodeled the northwest portion of our building to create a single, open, lofted, sacred space for our children's creative arts ministries. We call it the Anne-X, in honor of Anne Oakley, the mother of our two benefactors. By the end of this year, we will also have installed a new, interior columbarium. Maintenance of a 185+ year old building continues to challenge us, and yet our people continue to give sacrificially as the need arises. We have a new tagline: "Faith. Family. Fullness of Life." It's drawn directly from Ephesians 3 and reflects our renewed intention to disciple entire families in the way and life of Christ Jesus. We've had family-wide events, including a family mission trip to Guatemala (not just youth with a few adult chaperons, but youth along with "mom and dad"), and family service events such as national build-a-bed day with parents and their children building beds for other underserved families via the organization Sleep in Heavenly Peace.

New changes included the relocation of Fr. Dustin Hall and his family to Winter Garden, FL, and we've also welcomed Fr. Luke Engelmeyer as our new curate as he was ordained to the priesthood this past summer. We also celebrate his and Carley's new baby boy, little Jude Engelmeyer, born September 4.

ST MICHAEL AND ALL ANGELS, PEORIA

St. Michael's joyously celebrated our tenth anniversary recently on Michaelmas, with our annual episcopal visit from Bishop Morales, and five confirmations. Of course, our history goes back much longer than ten years, with our merged congregations of St. Andrews and St. Francis dating to as early as 1897.

We continue to attract new families (with kids, thanks be to God!), and we now have three youth Sunday School classes, divided by age, and a nursery, along with an adult Sunday School. Many of our children attended the Diocesan Church Camp, and several adults acted as counselors.

We are working toward getting out a bit more into our community. Members volunteer to read to the children at our "adopted" nearby grade school weekly, and we provide school supplies and gifts to the teachers. Volunteers have also been assisting St. Benedict's Abbey with sorting and distributing food at their weekly food pantry. St. Mike's is in the "baby steps" of teaming with a local nursing home to help provide for their needs, and also to do some onsite programs (Christmas caroling, etc.).

While we continue to have the usual surprise items, we are working hard to plan out a multi-year maintenance/upgrade program on our physical facility (which includes the DOQ offices and Mission Center) to minimize the impact to both our budget and the diocese's.

CHRIST CHURCH, MOLINE

Our Sunday attendance remains strong and just about every parishioner attends at least twice a month. We hold two very strong Bible Studies. Tuesday nights see the young families with children gather for a meal and then study while the children are cared for in a different part of the building. Wednesday nights, after the Eucharist and a meal a more "mature" group meets to study. This year we are doing 1 & 2 Timothy. The Wednesday study is to be found on the Parish Facebook page. Our streaming of our Sunday Eucharist is still touching lives throughout the world and with a dedicated group of operators this remains a powerful and effective ministry. We have received positive responses to weekly emails sent out to the Parish. A thought to ponder, notices of meetings and events plus the duty roster for the following two weeks keep people up to date with Parish happenings.

Our parish has had continued success in reaching our Karen Community with the teaching of the ALPHA Course on the third Sunday of the month after the 10am Eucharist and a meal. This year, we introduced the JUNIOR ALPHA Course to about 10 teens. Once a month after the 10am Eucharist and a meal.

Our Daughters of the Holy Cross group continues to grow and remains a very strong prayer ministry, amongst other things, within the Parish. Our Men's Fellowship has taken on a new ministry of serving a meal once a month at Christian Care. Four servers at a time provide the manpower to serve over 70 people a meal prepared by the center.

Initiated by our Karen community we have had a very successful fundraising day over Memorial Day weekend and a wonderful Parish Picnic over the Labor Day weekend. Fellowship remains a very strong feature of our Parish identity. Guests remark upon it when they are warmly welcomed! Some have returned and even some have become members of the Parish.

Recovery after our settlement of the Lawsuit is slow but moving at a steady pace. We have one more year before we hope to be fully recovered. We lost some longtime members of Christ Church this year which has made the recovery a little more challenging.

The training of our curate, Fr Michael Lindstedt, is a blessing not only to the Parish but to the Diocese as we look forward to the role of this Parish in the future growth and development of the Diocese with strong leadership.

ST PETER'S CHURCH, CANTON

We are currently in the negotiation stages of purchasing the building that we have been renting for the last 6 years. We had four Confirmations when the bishop visited us.

ST MARK'S, SILVIS

This year we continue our support of the bishop's vision for spreading the Gospel to our brothers and sisters in Colombia. We also continue to grow in our own congregation as the Holy Spirit continues adding to our numbers. We added a new Furnace and air Conditioner through a capital campaign fund, and our online presence continues to grow.

CHRIST CHURCH LIMESTONE- The Old Stone Church

"And I will dwell in the house of the Lord, all the days of my life" Psalm 23

Our beloved church has jumpstarted 2025 celebrating a special milestone, as we enter into our 180th anniversary since its consecration by Bishop Philander Chase, 10 December 1845!

Historic Christ Church Limestone, organized a special summer celebration, hosting an Ice Cream Social, where we received many visitors came to our church and WEEK and WMBD news made a special report. We will continue our celebrations during Synod and at a Solemn Eucharist on Sunday, 7 December.

Our faith community continues to increase (including the addition of a newborn baby) as we have received individuals and families that are finding a home to worship God and assist us in build His kingdom.

REPORT

The *Department of Finance*-

This year, the department of finance has worked to develop not only a strong budget going forward, but revenue and funding improvement options for our diocese.

As we strongly believe that the work we do, the finances of our dioceses and the day-two-day impact that Gospel-focused ministry has on our budget are to be fully transparent and honest. Therefore, all of our working documents and updates are available in a **DOQ TEAMS** file for all to review, anytime. *(If you need help accessing these documents or would like individual consultation about the finances of the diocese, please do not hesitate to contact any member of the department of finance, at any time.)*

As *Canon for finance*, getting to know the finances of our diocese in an intimate way, I feel more certain than ever that our diocese has a bright and powerful future of sharing God's Word and the hope of Jesus here at home and around our beautiful world. We, as a diocese, are still struggling to raise all the needed funds for our missions and outreach & God is providing new and unique ways to meet these goals.

So, you will see that we have again submitted an unbalanced budget. A budget reflecting the vision God has given our diocese through our dear Bishop, and a prayerful reliance on God, that he will provide. To date, this diocese has never been forsaken. And we know that God will continue to provide if we are wise stewards of what he has given us, as we work to stay in the very center of his will.

More than anything, we ask your prayers not only for the finances of the diocese and our Bishop; but, please pray for us as we continue to find resources and avenues to bring in the needed funds necessary to touch our world with the gospel of Jesus Christ, through the diocese of Quincy.

May God bless our Bishop, our diocese and you all!

Annual Report for the 148th Synod of the Diocese of Quincy

Religious Organizations in the Diocese of Quincy

The Diocese of Quincy is blessed to have members of the following Religious Organizations supporting its ministry, providing leadership, and educating their members and others.

The Brotherhood of St. Andrew

The **Brotherhood of St. Andrew** is an international ministry of men within the Anglican Communion. The Brotherhood was incorporated by an Act of Congress on May 30, 1908, signed by President Theodore Roosevelt. It continues in its objective today, which is "the spread of Christ's Kingdom among men and

youth." Its chapter members are called Brothers Andrew who accept and observe the Brotherhood Disciplines of: **PRAYER, STUDY AND SERVICE.**

The Diocese of Quincy continues to actively work for the advancement of The Brotherhood of St. Andrew, and its goal of bringing men and boys to Christ.

Our Chapters members are very active within their local church communities, serving on vestry/Bishop committees, as Lay Readers or Lay Visitors and many chapter members serve active roles within our Diocesan Leadership. The Brotherhood of St. Andrew members serve a very important and vital role within our Parishes, Missions and within the Diocese.

May God bless the Brotherhood of St. Andrew and its Ministries.

Daughters of the Holy Cross

The Daughters of the Holy Cross

Who are the Daughters of the Holy Cross?

We are women within the ACNA who seek to grow spiritually by following a rule of life centered around prayer, study, service and evangelism.

When do we meet?

There are no hard rules governing how often or where to meet.

The Chapter at Christ Church, Moline meets either at church or in a member's home. This has allowed a member to still attend meetings while facing medical challenges in her family. We try to meet every month but find that meeting during the winter in the evenings is a challenge.

What is our focus?

As women who are seeking to grow spiritually, we focus on the 4 areas of our rule of life:

Prayer: our Chapter maintains a prayer list of people from the parish as well as those outside the parish who have asked for our prayers. We are able to connect with the prayer warriors in the parish within minutes of hearing of a need. This is done through text messages. We are committed to pray for our parish clergy, Bishop and leadership of the ACNA on a daily basis.

Study: this year our Chapter is completing Johannes van der Bijl's book "Breakfast on the Beach – the development of Simon Peter" and are looking for a new book to study in the fall. We only read or discuss 1 chapter a month so it takes us quite a while to get through any book study. Each Daughter is also a regular attendee at a bible study within our church.

Service: being a small group has its advantages as we are able to respond quickly to needs within our community. We have continued our support of a local nursing home as well as Pregnancy resources but have also been able to respond to urgent needs at our shelters by providing warm clothing during the winter and bottles of water for the homeless during the extremely hot days during the summer. We have joined forces with our Anglican Church Women's group in their service projects as well.

Evangelism: this is not everyone's comfort zone but we discuss it at every meeting as we learn from each other. Standing on a street corner holding a sign is not for most of us, but we learn how to evangelize by our kindness and care shown to those who so desperately need Jesus.

Our earnest prayer is that other ladies (or young ladies 12 – 18 years old) will discover the Daughters of the Holy Cross. The Daughter's group at Grace Anglican Church, Galesburg has unfortunately closed due to members facing health issues and unable to attend meetings. Christ Church has invited those ladies to attend their meetings instead if they would like to. We who are members have found it a great source of encouragement as we walk this road together. It only takes 3 ladies to make up a Chapter, so if your congregation has 3 ladies who are seeking to grow in their faith, you already have the nucleus for a Chapter. Please feel free to contact me or any of the Daughters in the Diocese for help in starting a group.

Franciscan Order of the Divine Compassion (FODC)

The Franciscan Order of the Divine Compassion was founded on *October 4, 1991*, by the late **Rt. Rev. Br. John Charles Vockler**, who at the time was Vicar of Trinity Church, Monmouth IL. He was assisted by the late Jack Couch of Trinity Church, Rock Island IL. After Br. Jack died and Br. John Charles moved on from our Diocese (and eventually returned to his native Australia), Bishop Keith Ackerman became both Bishop Protector and Minister-General of the Order. As the Order grew and expanded, first in the Episcopal Church and then as an ecumenical international Anglican Order, people seeking a Franciscan approach to Christianity joined from around the world. There are currently about 150 members in North America, Europe, England, Africa, and Asia.

The Franciscan Order of the Divine Compassion is a traditional, orthodox, Anglo-Catholic religious order formed to promote the historic catholic faith as the Anglican Church has received it. Vocations are secular in nature: members live in the regular world. Although under vows and promises, members live the "religious life" in their own homes. As a Franciscan Brother, Sister, or Companion, one promises to

DIOCESE OF QUINCY

October 17, 18, 19, 2024
at Embassy Suites- East Peoria, IL

Day One

The 146th Synod of the Diocese of Quincy was called to order at 10:05 a.m. on October 18, 2024, at the Embassy Suites in East Peoria, Illinois by the Right Reverent Alberto Morales, IX Bishop of Quincy. The Bishop extended his welcome to *The Right Reverent John Boonsaaijer*, president of the Board of Foreign Missions for the REC. The Bishop then appointed Bp. Boonsaaijer as Chaplain to the Synod and asked him to give the opening prayer, which he did. Bishop Morales welcomed all in attendance and called Synod to a moment of silence in memory of clergy who had answered the heavenly call over the past year and dedicated this Synod to the glory of God in their honor:

- ✠ Fr. Fred Raybourn, Obl, SB
- ✠ Fr. Roger Allen
- ✠ Dcn. Phil Fleming, OSF
- ✠ Dcn. Paul Brooks
- ✠ Metropolitan Athanasius Yohan, Metropolitan of *Believers Eastern Church* (In Communion with the DOQ)

Bp. Morales called Becky Karlowicz and Amanda Pauley to give a presentation on the Anglican Church Camp of the Midwest. They reported on another successful camp.

Cn. Doubet then presented the rules of order as follows.

Rules of Order

General

In any question of procedure, *Robert's Rules of Order* will guide the conduct of business.

3. As far as possible, the Chair shall allow members in favor of, or opposed to, a question to speak alternatively.

Motions Not Previously Published

A resolution not previously published to the members of the synod may be brought to the floor by any two clergy or the deputations of any two congregations; provided that if the resolution involves an amendment to the Canons, the proposal may be received for consideration only on a motion adopted by 3/4 of the synod (canon 141.4). If accepted, the proposal shall be referred to the Committee on Constitution and Canons for review and recommendation, within instruction that it be reported back before the end of Synod. Once reported by the Committee, such resolution may be considered and acted upon in the same manner as if it had been filed prior to Synod.
